

## LET'S GO CAMPING!

**Wisconsin Badger Camp** has openings this summer for kids from ages K-12. Badger Camp is available to any and all of us with developmental disabilities and provides safe, fun and, unique programming in a supportive natural environment where individuals can learn about their surroundings and further realize their full potential. Through a group living experience, campers develop friendships and expand their social skills. Everyone, regardless of the severity of their disability or, ability to pay, is welcome at Badger Camp.

Each of eight weekly sessions throughout the summer begins with registration Sunday afternoon and ends after lunch on Friday. Badger Camp is located on 680 acres of woodland overlooking the Wisconsin Mississippi River valleys, south of Prairie du Chien, Wisconsin.

Badger Camp enjoys support here in Madison through alumni, parents and, friends of the MMSD Community who are also members of TUBB CLUBB – Dane County Chapter. A year-end grassroots fundraising tradition held in Platteville for more than three decades, TUBB CLUBB proceeds help to pay all or part of Badger Camp admission costs.
